imeetify integration with Zoom

(1) Enabling Zoom in imeetify integrations

(2) Upon enabling Zoom Button, Authentication page of Zoom would appear to enter the users credentials

verify email and password in zoom sign-in page

(3) After Log in to your Zoom account on Zoom's official page

The screenshot shows the Zoom mobile app interface for adding the imeetify app. At the top, the Zoom logo is visible. Below it, the imeetify logo and the Zoom logo are shown with a double-headed arrow between them. The text "You are about to add imeetify" is centered. Below this, a user profile card shows the initials "BR" and the email "bala@imeetify.com", with a "Switch Account" link. A "Note" section contains three bullet points: "This app and its use of your data have not been reviewed or evaluated by Zoom. Use the app only for testing or validation purposes; only allow it if you wish the app to have access to the data below.", "App can access and manage this information even when not using the app.", and "This app may enable an in-meeting notification to participants if the app is used to access real-time video, audio, chat, or meeting files." A "Learn more" link is provided. Below the note, a section titled "App can view information" is partially visible. At the bottom, there is a checkbox for "Allow this app to use my shared access permissions. Learn more". Below the checkbox, a disclaimer states: "By clicking Allow, you give permission to this app to use your information in accordance with their Terms & Privacy Policy. You can remove this app at any time in My Apps." Two buttons, "Allow" and "Decline", are at the bottom.

(*If you do not have a Zoom account, you need to register with the Zoom official first)

(4) Once Account is successfully authenticated, Zoom Integration is activated.

The screenshot shows the 'Integrations' page in the imeetify application. On the left is a sidebar menu with options: My Calendars, Branding, Profile, Group Events, Integrations (highlighted), Help Center, and Logout. The main content area is titled 'Integrations - Pre-built integrations for higher productivity'. Below the title is a message: 'Stay tuned, we are working on getting many more 3rd party integrations. If there is a specific integration you'd like to see, please reach out to us or email us at'. The integrations are organized into two sections: 'Most Popular' and 'More Integration'. Each integration is represented by a card with a logo, name, description, and a toggle switch.

Integration	Description	Status
Google Calendar	sync your google calendar account & avoid double booking	OFF
Office 365 Calendar	sync your microsoft office 365 calendar account & avoid double booking	OFF
Zoom Virtual meeting	add zoom link to your virtual meeting schedules with ease	ON
SendGrid	sync your Send Grid account & avoid double booking	OFF
Sendinblue	sync your send in blue account & avoid double booking	OFF
Mailchimp	sync your mailchimp account & avoid double booking	OFF

Creating Calendar with Zoom integration

(1) Creating new calendar for Appointment with Zoom Integration for Tele-Consulting

Welcome, naveen s d elk ! Monday , August 08 2022 naveen s d elk ▾

Your calendar link <https://imeetify.com/naveensdelk>

Calendar details

[Calendar Details *](#) [Availability *](#) [Mark a Holiday](#) [Add Multiple Slots](#) [Contact Form](#)

Name of the Calendar Title (Displayed in the Calendar) 23/ 50

Create calendar using appointment type (tele-consult zoom)

(2) Calendar successful created with Zoom integration

The screenshot displays the imeetify dashboard for a user named MyCareClinic. The interface includes a sidebar menu with options like My Calendars, Branding, Profile, Group Events, Integrations, Help Center, and Logout. The main content area shows a 'Welcome, MyCareClinic!' header with the date 'Monday, August 08 2022'. Below this, there is a 'Your calendar link' section with the URL 'https://imeetify.com/MyCareClinic' and a '+ Create new calendar' button. The 'Active Calendars' section contains two calendar entries: 'welcome' (60 minutes, Virtual meeting) and 'My-first-calendar' (30 minutes, Virtual-Zoom). The 'My-first-calendar' entry is highlighted with a red border. Both entries show their respective URLs and a set of action buttons: 'COPY LINK', 'CLONE', 'EDIT', and 'DELETE'.

Calendar Name	Duration	Meeting Type	Status	URL	Actions
welcome	60 minutes	Virtual meeting	ON	https://imeetify.com/MyCareClinic/welcome	COPY LINK CLONE EDIT DELETE
My-first-calendar	30 minutes	Virtual-Zoom	ON	https://imeetify.com/MyCareClinic/My-first-calendar	COPY LINK CLONE EDIT DELETE

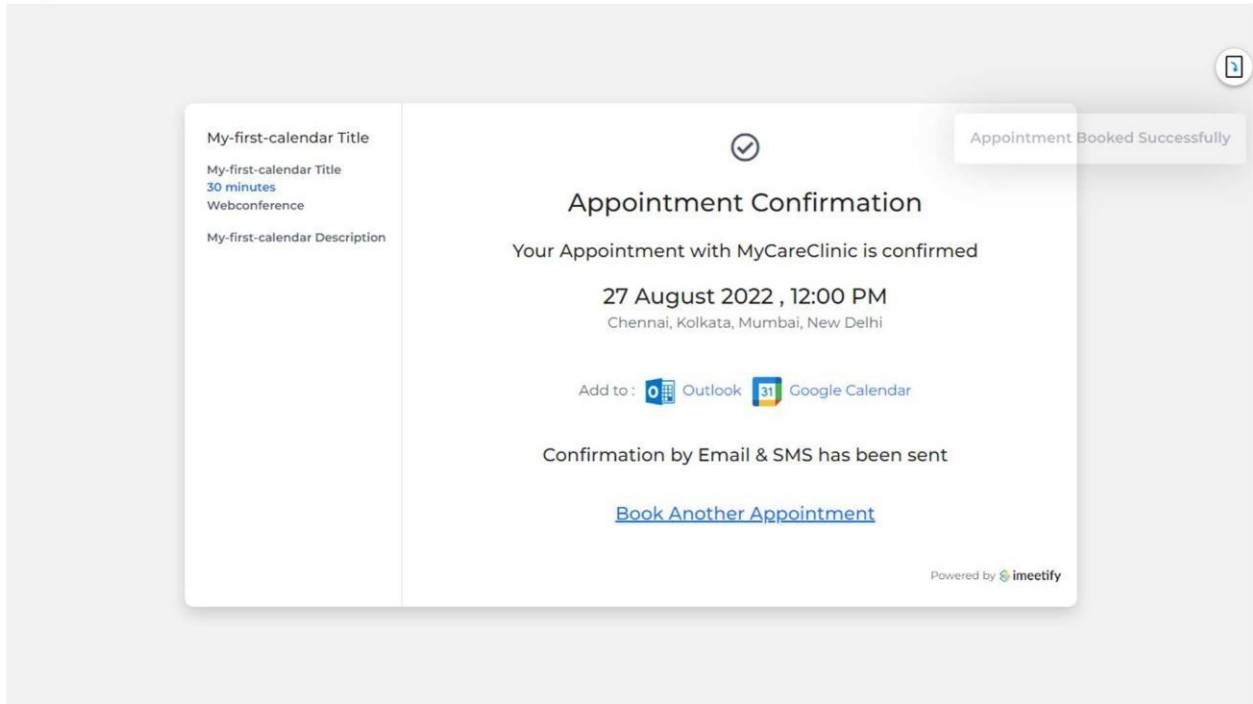

Booking Virtual Consulting Appointments (end-user side)

(1) Selecting the Date & Time to book the Appointment Slot

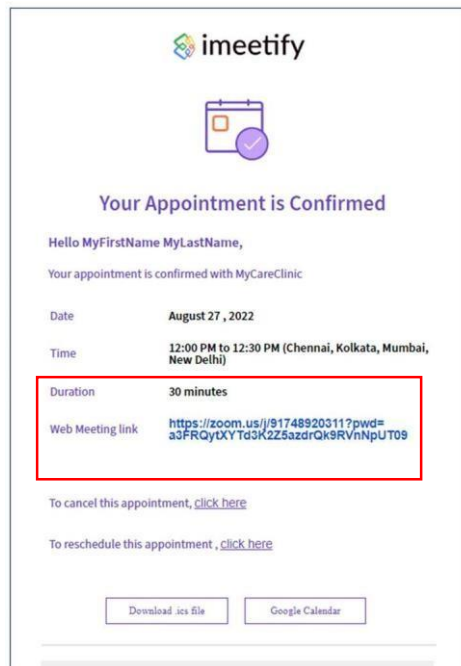

The screenshot shows a web interface for booking an appointment. On the left, there is a sidebar with the following text: "My-first-calendar", "My-first-calendar Title", "30 minutes", "Webconference", and "My-first-calendar Description". The main area is titled "Select a Date & Time". It features a calendar for August 2022, with the date "Saturday, Aug 27" selected. Below the calendar, there are three sections of time slots: "Morning", "Noon", and "Evening". Each section contains a grid of buttons representing 30-minute intervals. The "Morning" section has slots from 12:00 AM to 11:30 AM. The "Noon" section has slots from 12:00 PM to 5:30 PM. The "Evening" section has slots from 6:00 PM to 8:30 PM. At the bottom right, there is a blue button labeled "Book My Appointment". A small footer text reads "Powered by imeetify".

(2) Appointment Confirmation

The screenshot shows a confirmation form titled "Enter Contact information". The form is pre-filled with the following information: "12:00 PM, Saturday, Aug 27-2022" and "Chennai, Kolkata, Mumbai, New Delhi". The form fields are: "First Name" (MyFirstName), "Last Name" (MyLastName), "Email address" (naveen.purple23@gmail.com), "Organization Name (Optional)" (empty), "Contact Number" (+91 8883189664), and "Remarks" (Leave a comment here). At the bottom, there is a CAPTCHA question: "Please enter the answer to this equation 20 + 18 =". The answer "38" is entered in a box, and a red "completed" label is visible below it. A blue "Confirm" button is located at the bottom right.

(3) Appointment Confirmation for end-user in email with Zoom link generated

(4) Appointment Request send to user with same Zoom link

Remove Zoom Account with imeetify

(1) Disconnect Zoom in imeetify integrations

The screenshot shows the 'Integrations - Pre-built integrations for higher productivity' page in the imeetify interface. On the left is a navigation menu with options: My Calendars, Branding, Profile, Group Events, Integrations, Help Center, and Logout. The main content area is titled 'Integrations - Pre-built integrations for higher productivity' and includes a message: 'Stay tuned, we are working on getting many more 3rd party integrations. If there is a specific integration you'd like to see, please reach out to us or email us at'. Below this, there are two sections: 'Most Popular' and 'More Integration'. The 'Most Popular' section contains three integration cards: 'Google Calendar', 'Office 365 Calendar', and 'Zoom Virtual meeting'. The 'Zoom Virtual meeting' card has a red box around its 'OFF' toggle switch. The 'More Integration' section contains three more cards: 'SendGrid', 'sendinblue', and 'Mailchimp', all with their respective 'OFF' toggle switches.

- Disconnect Zoom: If you intend to revoke Zoom connection and authorization, you can select to toggle the switch to off mode, which in-turn deauthorizes Zoom connection with imeetify

(2) Removing the imeetify app in Zoom

The screenshot displays the Zoom App Marketplace interface. On the left, there is a navigation menu with sections for 'PERSONAL APP MANAGEMENT' (Created Apps, Added Apps, Call Logs) and 'ADMIN APP MANAGEMENT' (Apps on Account, App Requests, Permissions, Notifications). The main content area is titled 'Added Apps' and includes a search bar and tabs for 'Apps in Production' and 'Apps in Development'. Below the tabs, a message states: 'Added OAuth apps that use the production credentials to access Zoom APIs'. A table lists the installed apps:

Name	App Info	Added by	Shared Access Permissions	
imeetify	User Managed Unpublished	Myself Subscribed Today 05:08 PM	Not Authorized update	Remove
Zoom Developer Forum Log-in Helper	User Managed Unpublished	Myself Subscribed Apr 29, 2020 05:04 PM	Not Authorized update	Remove

The footer contains the Zoom logo and several links: About, Zoom Blog, Customers, Download, Meetings Client, Zoom Rooms Client, Sales, 1 888 799 9666, Contact Sales, Support, Test Zoom, and Account.

- Log in to your Zoom account and navigate to the Zoom App Marketplace.
- Click Manage > Added Apps or search for the imeetify app.
- Click the 'Remove' button.
